Community Emergency Response Team

Martinez Area-Wide Exercise

Date/Time: Saturday, 27 July 2019, from 8:00am to 12:00pm

Location: Martinez Area CERT Response Districts

Description: The Martinez Area-Wide Exercise is a functional emergency response exercise designed to support Martinez and area residents practicing emergency response activities within their neighborhoods. This event improves CERT member training and expands disaster preparedness awareness throughout the community.

Individuals and neighborhood groups of all skill levels are encouraged to participate. Individuals who are not part of an organized neighborhood group will participate at home taking actions that promote their personal disaster preparedness. Individuals who register for the Area-Wide Exercise will receive additional suggestions for activities to improve their personal preparedness.

Prerequisites: NONE! Everyone is encouraged to participate.

Registration: Registration Form is online : http://bit.ly/MtzCERT
