

ARE YOU DISASTER READY?
IS YOUR FAMILY PREPARED?
ARE YOU TRAINED TO HELP YOUR NEIGHBORHOOD?
DON'T BE SCARED – BE PREPARED!
Free CERT Basic Training Classes – FALL 2021

Disasters can strike at any time and being prepared for these and other unexpected events is critical to saving lives. Each of us has a responsibility to understand the risk natural and man-made disasters pose to our families and communities, and to recognize we each have a role in preparing for these events.

BASIC TRAINING – TWO OPTIONS

A free instructor-led course consisting of 20 hours of instruction on topics such as Personal & Family Preparedness, Earthquake Preparation, Team Organization, Medical Operations and Triage, Damage Assessment, Fire Suppression, Utility Control, and Light Search & Rescue.

You may choose either the weekend intensive series of three classes, or the Tuesday night series consisting of six classes. Classes conclude with a Practical Review for graduates to practice new skills and a Disaster Drill for Disaster Service Worker candidates, each held on a Saturday morning.
