

CERT FREE TRAINING CLASSES – Winter/Spring 2021

Martinez Area CERT

CERT is offering two FREE Zoom classes.
Each two-hour class is offered twice in Winter/Spring 2021

PERSONAL EMERGENCY PREPAREDNESS “PEP”

Saturday February 20th 10am – noon or

Saturday April 17th 10am – noon

Learn how to prepare yourself and your family for when a major disaster strikes. Topics covered will include:

- **Identifying your disaster risks**
- **Preparing your Go Bag and emergency kits**
- **Secure home and personal data**
- **Shelter-in-place**
- **Fire safety and evacuation**

Register for this free training by emailing your date preference, name and contact phone number to “PEP Class” to martinez.cert@gmail.com

**Build a kit.
Make a plan.
Be prepared.**

EARTHQUAKE HAZARD MITIGATION - Secure Your Space

Saturday March 20th 10am – noon or

Saturday May 15th 10am – noon

Learn how to safely secure your home or workplace for an earthquake. Securing common items like televisions, computers, bookcases, appliances, and furniture will be discussed. Mitigation of non-structural hazards will be emphasized.

- **Assess your home or workplace**
- **No and low-cost prevention options**
- **Identify and select products mitigate hazards**

Register for this free training by emailing your date preference, name and contact phone number to “Secure Your Space” to martinez.cert@gmail.com

**Earthquakes
SHAKE!
Plan ahead.**
